MMC INAUGURAL SCHOLARSHIP AWARD FOR 10 OUTSTANDING STUDENTS

Kuala Lumpur, 27 June 2013 – MMC Corporation Berhad (MMC) is awarding its inaugural scholarship scheme to 10 outstanding students from all around Malaysia. The scholarship offers full sponsorship from A-Levels education in Kolej Yayasan UEM right up to first undergraduate degree in leading universities in the United Kingdom, Australia, or the United States of America.

The symbolic scholarship award was presented to the chosen students by Tan Sri Syed Abdul Jabbar Shahabudin, Chairman of MMC. Also present were Datuk Hj Hasni Harun, Group Managing Director MMC, senior management of MMC and the parents of the scholarship recipients. Commenting on the scholarship award, Tan Sri Syed Abdul Jabbar said "It is the company's inaugural venture into awarding scholarships as part of our Corporate Social Responsibility (CSR) initiatives. It is a substantial human capital development initiative by MMC towards national aspiration to have more educated, trained and skilled professionals in the country. This is also our contribution to the nation."

The initial assessment was conducted in various states within Peninsular and East Malaysia where recipients were carefully screened and interviewed by MMC management, "We select students to pursue a range of disciplines that will support the business needs of the MMC Group, bringing diversity to our scholarship programme and enriching our human capital pool. With the scholarship scheme and the exciting job prospects, MMC is providing opportunities of continuous education and skill upgrading platform for its scholars and future employees," Tan Sri Syed Abdul Jabbar concluded.

MMC's Scholarship scheme is part of MMC's human capital development strategy to build the Group's pool of capable future leaders towards achieving its vision of becoming a premier utilities and infrastructure group. The initiative is also in line with MMC's commitment to drive sustainable change through its CSR efforts founded on three strategic pillars namely education and community development, environmental preservation and human capital development. Upon graduation, the scholars will pursue their careers with MMC or any of its subsidiaries.

About MMC Corporation Berhad

MMC Corporation Berhad (MMC) is a leading utilities and infrastructure group with diversified businesses under three divisions, namely energy & utilities, ports & logistics and engineering & construction.

Under the energy & utilities division, MMC has a controlling stake in Malakoff Corporation Berhad (Malaysia's largest independent power producer), is the single largest shareholder of Gas Malaysia Berhad (sole supplier of reticulated natural gas in Peninsular Malaysia), and wholly owns Aliran Ihsan Resources Berhad (a water treatment plant operator).

MMC's key businesses in its ports & logistics division include the operations of Port of Tanjung Pelepas (Malaysia's largest container terminal) and Johor Port (Malaysia's leading multi-purpose port). MMC also has an associate stake in Red Sea Gateway Terminal Company Limited which operates a container terminal at Jeddah Islamic Port, Kingdom of Saudi Arabia.

MMC's engineering & construction division has further established itself in the sector following our leading role as the Project Delivery Partner and underground works package contractor for the 51km Klang Valley Mass Rapid Transit (KVMRT) project (Sungai Buloh - Kajang line). This is in addition to MMC's unprecedented track record of implementing a railway engineering breakthrough in the construction of Bukit Berapit twin-bore tunnel, Southeast Asia's longest rail tunnel as part of the 329km Ipoh – Padang Besar Electrified Double Track Project as well as the innovative Stormwater Management and Road Tunnel (SMART) motorway, the first-of-its-kind dual purpose tunnel in the world.
